Come and join us to help raise money for Team Pittsburgh to compete in next summer's U.S. Transplant Games being held in Madison, Wisconsin! These games are presented by the National Kidney Foundation every two years to demonstrate the successes of organ transplantation, and to pay tribute to our nation's organ donor families and living donors. This effort raises awareness for organ donation to help the nearly 100,000 people in our country awaiting their life-saving transplants. We'd love it if you could help!
